Dear Ms Morioka

Thank you very much for your donation of £200 for the Japan Society
Tohoku Earthquake Relief Fund.

As you know, donations to the Fund will be used to help local voluntary
and community organisations who are working with people in the affected
regions to rebuild their lives and livelihoods, once the immediate crisis has
passed. We are working with Sanaburi Foundation in Miyagi (地域創造基金
みやぎ) to make funds available to local projects designed to deliver long-
term support for projects which have been assessed locally to make an
impact on the recreation of communities. I am sure that you, like we,
have been following Japanese news and are only too aware of the
immense task that faces the survivors over the next months, if not years.

Thank you once again for contributing to the Tohoku Earthquake Relief
Fund.

Heidi Potter
